Dear Stephen

Re: VPMA Congress, Bristol 2008

Just thought I would drop you a line to say thank you so much for speaking at our event last week. I knew when I first heard you at the CMI event in Leeds you delivered the goods but I must admit your ability to cross the barriers that are sometimes evident in small professions such as ours, was excellent.

Your delivery is never condescending and you are clearly passionate about what you do – this is an infectious quality so essential when speaking to an audience that had been occupied until quite late at the gala dinner!

I would not hesitate to recommend you to others and thank you once again for your help.

Kind regards

Sarah Hibbert MBA CMgr CVPM
